

Give a "Grant" to the Carillon

Your \$50 gift (one "U.S. Grant") or more will help fund the Renovation of the Carillon's Playing Cabin.

Located high in the tower in the midst of the bells is the **Carillon's Playing Cabin**, where the carillonneur plays the carillon. After 64 years of heavy use, it's time to renovate its interior.

The **walls** were never finished – they need to be insulated and paneled. The **windows** – drafty and impossible to clean – need to be replaced. The old-style **lighting** and exposed **electricals** need to be updated and properly enclosed. The **floor** needs to be recovered and the **ceiling** repainted. The leaky **door** needs to be replaced.

All this is going to cost **\$6,500.00**. *And that's why we need your help.* Washington Memorial Chapel and Washington Memorial National Carillon receive no governmental funding. Our programs and projects are only possible through the support of our friends like you. **Help us reach our goal by September, so we can start right after the Summer Concert Season.**

*Enclosed is my check for \$50.00 (or more) to help fund the Carillon's Playing Cabin Renovations.
Contributions are tax-deductible, in accordance with the law.*

Make checks payable to **Washington Memorial Chapel**, indicate "Playing Cabin" on the memo line, & mail to:
Washington Memorial Chapel, PO Box 98, Valley Forge, PA 19481
